Four Women Health Services: Attleboro, MA Four Women Health Services was founded to ensure that all women have access to the highest quality reproductive health care through direct service, education and referrals. Our mission is to empower women to make informed decisions that support their privacy, dignity and self-respect. Nina Simone "Four Women Lyrics | Genius Lyrics Written by Nina Simone, "Four Women" was released in 1966 on her album Wild is the Wind. In the song, she creates a genealogy of black women through slavery to the present. Four characters, Aunt Sarah, Saffronia, Sweet Thing, and Peaches represent different types of black women and the lasting legacy of slavery. Four Women (song) - Wikipedia "Four Women" is a song written by jazz singer, composer, pianist and arranger Nina Simone, released on the 1966 album Wild Is the Wind. It tells the story of four different African American women. Each of the four characters represents an African-American stereotype in society.

Four Women - Shmoop Frustrated at the slow progress of the civil rights movement, the negative self-image of many women around her, and the daily hardships of being a black woman, the brilliant piano-playing songstress penned "Four Women," a song that tells four stories of archetypal black women: Aunt Sarah, Saffronia, Sweet Thing and Peaches. Four Women Nina Simone My skin is black My arms are long My hair is woolly My back is strong Strong enough to take the pain Its been inflicted again and again What do they call me. Nina Simone: Four Women - jubileetheatre.org Nina Simone: Four Women uses the framework of one of her most blistering songs "Four Women" to give voice to a group of women who suffered from self-hatred due to the different hues of their skin: Aunt Sarah, Saphronia, Sweet Thing, and Peaches.

Nina Simone - Four Women Lyrics | MetroLyrics Lyrics to 'Four Women' by Nina Simone. My skin is black / My arms are long / My hair is woolly / My back is strong / Strong enough to take the pain / inflicted. Four women who "changed our world" - The Washington Post All four women learned by immersing themselves in their environment and letting their eyes lead the way. Of the many lessons they have to teach us, this may be the most potent of all: Pay attention.
